

Steps To FaceTime

How to video chat your loved ones

Get your iPad or iPhone and stay connected with your loved ones! The FaceTime app comes pre-installed, so all you need to do is find the app, open it up and place a call to your chosen contact.

How to start using FaceTime

1. Open **FaceTime** on your iPhone or iPad.
2. Tap the + button
3. Type the name, email address or number that you want to call
4. Enter more names, email addresses or number if you want to create a group
5. Tap Audio or Video to start your call.
